Gymnastic Club winners are shown here. Back row, from the left, Marie Swanlund, Brenda Moody, Debbie Daviduk, Bev Wasyk and Marlene Daviduk. Front, from left to right, Bonnie Lawrence, Collette Shirvell, Carrie Sigfuson, Dalene Fiveland, Cheryl Gough, Jammie Ross, Isabel McInnis and Carol Schmidt.

Over 100 Girls Display Gymnastic Abilities

Over 100 girls of the local gymnastics club participated in a gym display March 28 at the Frank Maddock High School before a crowd of some 200.

Mrs. Doris Tyerman, director of the junior and intermediate girls in the two-year old club, announced the performances and introduced individual gymnasts.

A march-on of the 105 girls began the evening, followed by junior free exercise, intermediate tumbling, junior vaulting, intermediate vaulting, junior pyramid building, junior tumbling, intermediate free exercise, and intermediate pyramid building.

Senior girls, instructed by Mr. Denis Reid, displayed exercises on the trampoline, balance beam, uneven bars, and performed free exercise, tumbling, and vaulting.

Debbie Daviduk was awarded the trophy for Senior most outstanding gymnast, with Bev Wasyk as runner-up. Most improved gymnast was won by Marie Swanlund, and it was a tie between Brenda Moody and Marlene Daviduk for runner-up.

Intermediate most outstanding gymnast was Jammie Ross, with Bonnie Lawrence taking runner-up. Carrie Sigfuson won the intermediate most improved and

Collette Shirvell was named runner-up.

Sheryl Gough was presented the trophy for most outstanding junior gymnast, while runner-up position went to Isabel McInnis. Junior most improved was Dalene Fiveland, and her runner-up was Carol Schmidt.

Assisting Mrs. Tyerman with the juniors and intermediates were Sandra Aker, Janet Meteski, Cheryl Daviduk and Donna Hook.

Rebels - Colonels Deadlock Final

BY DOUG BARNES

After a week's lay off the Rebels came out Tuesday night against the Wetaskiwin Colonels just like they should after a week of no hockey. They skated badly, no back-checking, bad defensive lapses, and the goal tending was not sharp.

The result a 6 to 3 loss. The goal-tending by Barry Pankewicz was good but not sharp. Dan Davie and Larry Wall, I thought skated well and really hustled.

Larry Wall just back from the Swift Current Bronco's looks good and in shape, also skating faster than when he left. Dan Davie picked up a much deserved second star.

The second game of this series went Thursday night in Wetaskiwin. The Rebels played like they are capable of playing.

Lorne Foster had five and one half periods of shut-out hockey when he was cut around the mouth by a hard slap shot. Lorne shut-out Camrose in the last game of the semi-final and went two and one half periods against Wetaskiwin before being injured.

The score was 5 - 0 for the

Rebels when Lorne got his shot in the mouth. Barry Pankewicz took over in the net, the score ended up 6 - 2 for the Rebels.

I didn't see the game as some times work does come first. But from reports Lorne Foster and company had the Colonels off balance all night.

As I said last week, good goal-tending you have to have in play-off hockey -- the Rebels have two good ones. The Boston Bruins do not have, so they will not win the Stanley Cup.

The Wetaskiwin Colonels goal-tending is good so this Rebel

Otto Nickel, now vice-president, will be the new president of the Drayton Valley Rotary Club when new officers are installed on July 1st.

Other officers elected at last week's regular supper meeting are John Hanson, who steps up from treasurer to vice-president; new treasurer will be John Arabsky, a newcomer taking his first executive post; and long-time Fred Raven, who has served previously as president and treasurer, will be the new secretary.

Municipal Groups Meet Socially

The Parkland County Council hosted a get-together of municipal representatives at Stony Plain on Saturday, April 1st.

Activities of the day included afternoon curling followed by supper at the Stony Plain Curling Rink.

As well as county representatives, council members and their wives from the towns of Drayton Valley, Stony Plain and Spruce Grove were present.

Players Win Two Jackpots

Two lucky bingo players have taken home jackpots on two successive weeks at the regular Legion bingo.

Latest winner, Mrs. Bernice Haffner, won \$110 on Monday, March 27th. One week earlier Gary Johannesson won a \$250 jackpot and returned \$10.00 to help build the next pot.

The jackpot for Monday, April 3rd was \$100.

Spectacular dismount from balance beam.

Band Performs at Tomahawk

In its first concert of the year, the Drayton Valley Community Band performed at the Tomahawk school March 27 from 7:30 to 9:00 p.m.

The purpose of the concert, explained conductor A. Pierce, was to show Tomahawk residents the work involved and the results of a community band. Tomahawk is interested in starting its own band, and felt that listening to and hearing of the problems of the local community band would help them make a decision.

The 20-member band played

such pieces as "I'd Like To Buy The World A Coke", "Put Your Hand in the Hand", "Gillette Look Sharp March", "Valse Bluette", "All Through The Night", "Travelling Band", as well as many other marches and popular pieces.

Solos were played by Robert Smith on the tenor sax, Bruce Moltzan on the piano, Bill Pantzer on the trombone, and Ed Eustace on the flute. Mr. Pierce also played his rendition of "Easter Bonnet" on piano.

During intermission, listeners

were able to ask questions and try their hand at some of the instruments.

Several members of the band had also just returned from a band workshop in Calgary over the weekend, where they learned techniques and better mastery of their instruments. Some 300 Alberta musicians attended the three-day affair, ending with a concert of all bands Sunday afternoon.

Next concert on the schedule for the Drayton Valley Community Band is their own two-day

Trampoline spin.

Testimonial Dinner Honors Former M.L.A. Mrs. C.R. Wood

Mrs. C. R. Wood, a long-time member of the Alberta Legislature for Stony Plain Constituency, that included the Drayton Valley area, was honored at a testimonial dinner in the Stony Plain Community Centre, March 14th.

Among special guests present were Dr. Grant MacEwan, Lt. Gov. of Alberta and a number of Mrs. Woods associates in government and other spheres of activity.

Greetings and best wishes of the province were extended to Mrs. Wood on behalf of the province by Bill Purdy, M.L.A. for Stony Plain.

Parkland Reeve Les Miller presented her with a plaque from the County, saying that it was a symbol of appreciation to the service of a dedicated servant.

Mayor Kritzinger of Stony Plain spoke on behalf of the town commanding Mrs. Wood on the tremendous amount done through her efforts. Mrs. Wood was elected mayor in 1953. Dr. Kritzinger presented her with a memento from town council, which was a picture of her receiving a "chain" from Ross Shepherd, president of the press gallery in 1953.

George Ilsley, Alberta chamber president, presented Mrs.

and Colonels playoff should be a long one, but the Rebels have the edge, the best goal tending and the highest scoring team in the league.

On Tuesday night trophies will be handed out to three of the Rebels, Sam Belcourt will be awarded the Scoring Trophy and the Most Valuable Player in the league trophy. Frank Roggeveen the best Defenseman in the league. Both are repeat winners and most deserving.

A first for the Rebels, the goal-tending trophy for the best goals against during league play. This is an award that Barry Pankevich and Lorne Foster have long waited for. And believe me they worked hard for it. It couldn't happen to two better athletes and people.

I'm sorry to hear that Jerry Wilkes did not win the Rookie Award. I don't know how the voters could overlook him. But high scoring rookies have been overlooked before. There are other trophies in the future for Jerry.

Another trophy did not come to the Rebels, the Lady Byne. Henry Hodgson second in scoring in the league and about 20 minutes in penalty. This trophy is for the player that is most gentlemanly and sportsman like and the most valuable to his team.

Thursday night the Rebels were led by the league's top scorer Sam Belcourt and the league's second top scorer, Henry Hodgson, each with two goals and one assist.

The Rebels lured a young fellow out of retirement on Thursday night, and he picked up a mere three points. All being assists. Doug Hall may be the key to this playoff.

Dan Davie and Cliff Elliott picked up two assists and Larry (Bronco) Wall and Jim Feeney scored a goal each. Terry McGowan and Frank (Smoothie) Roggeveen also picked up assists.

The Wetaskiwin Colonels won their first game of the Provincial final against Canmore 10 - 1. Don't miss to-night's game starting at 8:30 p.m.

Tuesday, March 28th, shots on goal by Drayton Valley 10 - 13 - 12, 35; Wetaskiwin, 8 - 10 - 14, 32. Penalties for Drayton Valley 6, Wetaskiwin 10.

Thursday, March 30th shots on goal by Drayton Valley 11 - 11 - 9, 31; Wetaskiwin, 17 - 10 - 7, 34. Penalties for Drayton Valley 10; Wetaskiwin 8.

Wood with a certificate of merit for serving as Zone Director from 1969 to the present.

A bouquet of flowers was presented to the honored guest by residents of the Drayton Valley area.

Harold McLaughlin introduced guest speaker Dr. Grant MacEwan, the latter giving a humorous address. Dr. MacEwan said Mrs. Wood was a tremendous person in more ways than one; both have devoted their entire lives to public service.

He congratulated Stony Plain citizens on Mrs. Wood's Night, asking what finer tribute could be paid to a person. It is appropriate, he said, to make our salute to things that count. He compared Mrs. Wood to the true political pioneers of western Canada.

A. J. Hooke, for many years a provincial cabinet minister, gave a short address and two readings, one written especially for Mrs. Wood. He honored her for the tremendous job she has done in the legislature and her many jobs she has undertaken.

Mr. Jack Coombs, Executive Director of the Canadian Mental Health Association, presented Mrs. Wood with an honorable life membership in the association, saying members "have benefitted from her wisdom and her opinions". She joined the organization in 1954.

Jack Moore from the Community Planning Association said no one was as dedicated as Mrs. Wood, since she stood for something "and we knew where she stood". She was made an honorary life member of the association, the only one in Alberta.

Mr. Strachan, assistant founder of Alcoholics Foundation of Alberta, complimented Mrs. Wood on her ability to do a lot of good because she did not care who got the credit.

Honored guest Mrs. Wood said she was "almost overwhelmed" by the night of happy memories. She said she enjoyed the program and thanked all who had a part in preparing it, as well as those who took part in activities and presentations.

Hansen Wins Mixed 'Spiel

The Annual Mixed Bonspiel from March 23rd to 26th, wound up with the Glen Hansen rink defeating Jack McCoy's Edmonton rink for the top prize in Sunday's final.

Forty-eight rinks took part in the successful 'spiel -- 20 from out-of-town. Out-of-town rinks came from Edmonton, Calgary, Vegreville, Grande Prairie, Hinton, Edson and Warburg.

With the mixed 'spiel marking the end of open events, local curlers are now concentrating on the club championship to wrap-up the season.

Ray Brosseau presents the Bay Trophy for the 1st event to Glen Hansen, Marg Hansen, Brian Hansen and Phyllis Kupsch (L to R).

Club President, Marshall Vander Ploegg, presents the Simpson-Sears 2nd event trophy to Bill Fiveland, Marilyn DesBrisay, Bill DesBrisay and Doreen Fiveland (L to R).

Block's Store trophy is presented to the 3rd event winners by Mel Hamdon. Rink members, from the left, are, Bruce Clemmer, Donna Clemmer, Tom Coles and Cheryl Coles.

Conference Delegates Report at W.I. Meeting

The regular meeting of the Drayton Valley branch of the Women's Institute was held in the meeting room at the Town Hall March 27 with seven members present.

Mr. McNally, chairman of the Emergency Measures Organization for this area, was in town last Monday to confer with Mrs. Roy Burrows, who has undertaken the task of coordinator for the town and district.

Cook books will be ordered for prizes for grades 7, 8, 9 and 10.

"Nova Scotia" is the theme to be studied in Women's Institute this year. Mrs. Lingard of the teaching staff has consented to talk to the branch at the April meeting.

There will be a demonstration of fondue cooking given by Miss Georgiana McDavid at the May meeting and of special interest for June will be a trip to the Botanical Gardens at Devon.

Tomahawk Club Plans Calf Tour

The monthly meeting of the Tomahawk 4H Beef Club was held at Ted Reich's with Parfieniuk co-hosting.

After a quiz on the parts of a calf, the trip to the rodeo was discussed. It was decided to leave Tomahawk as 10:00 a.m. on Harold Strocher's bus.

The calf tour is scheduled for the Easter holidays if the road conditions are suitable.

Rodney Jouan gave a report on cattle judging and the meeting was adjourned.

Burtonsville News

On Saturday, March 25, a bus brought about 40 students from the University of Alberta under the leadership of Dr. Don Smith, Professor Gary Gibson and Harvey Scott to camp on the island south of here.

The students, wearing snowshoes and carrying their packs, hiked about half a mile to the camp. They broke camp Sunday afternoon and hiked back to meet the bus, which left Burtonsville about 3:00.

On Friday, Mr. and Mrs. S. MacDougall had supper with Mabel Bryant and then the three went to Drayton Valley to see the Ice Carnival.

Roger MacDougall missed several days of school due to the flu. Dorothy MacDougall is feeling much better and received an encouraging report from her doctor.

Report From Parliament Hill

By Allen Sulatycky, M.P.

The controversy sparked by the Village Lake Louise proposal is one of the hottest on the Alberta scene in recent years.

Since the development, if proceeded with, will be in Rocky Mountain riding, many people have asked what my personal opinion is on the matter.

Most people appear to have a very definite attitude on the proposal. They are either entirely for it or entirely against it. I must admit that this being the case, I am probably in the minority, because I have not reached a judgment on the issue. There are aspects of the proposal which I find attractive, but also many which do not appeal to me.

The idea of a visitor service centre at Lake Louise is not new. It had been planned for several years by National Parks planners who considered that services for visitors to the area were inadequate. In addition to Lake Louise, visitor service areas were planned for a number of other areas in Banff and Jasper parks to supplement the facilities in Banff and Jasper townsites.

Plans for the new facilities at Lake Louise were prepared by the National Parks Branch a few years ago. They were confined to an area on the valley floor at Lake Louise, but included amongst other structures two multi-storey hotels.

The National Parks Branch invited the public to submit proposals for the development of the plans as prepared. However, no one was prepared to undertake the project as planned. At this point, the company known as Village Lake Louise came forward with a proposal of its own.

At about the same point in time, the Parks Branch was submitting its preliminary master plans for Banff, Jasper, Kootenay and Yoho National Parks to the public for scrutiny and comment. An undertaking was made not to accept any proposal for development at Lake Louise without first submitting such proposal for similar public scrutiny and comment.

As a result of the public hearings on the master plans for the parks, a great number of changes were made in the plans, including the abandonment of provision for visitor service centres at any other locations than Banff,

Jasper and Lake Louise. It was clearly acknowledged that provision of services at Lake Louise was necessary.

The question therefore put to the public hearings recently held

on the Village Lake Louise proposal, is whether this is the type of visitor service area which the public desires at that location. The Minister of Indian Affairs and Northern Development must approve the plans for any development of the area and he has advised the proponents of Village Lake Louise that he will be guided by the results of the public hearing process.

The hundreds of written and oral briefs on the matter provide the Minister with no end of advice. The entire controversy will in addition to providing guidance, also help to bring the concept of national parks to the attention of more Canadians than ever before.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (of the Calgary Herald)

With the Legislature session now three weeks old, observers are still wondering if the building janitors didn't make a mistake when they set up the desks on the assembly floor.

Traditionally, when a new government takes office, the first session is supposed to be a fiery one. Opposition members, rich in experience from their years in government, are supposed to be on their feet daily making mince-meat out of the rookie cabinet ministers. The new government, while nervous, is supposed to keep its mouth shut until it has found a firm footing.

But in Alberta, under the new Conservative government, the situation seems to be reversed. Government back-benchers increasingly flex their muscles to ridicule the opposition, while the veteran Socreds, with a few exceptions, have been a docile bunch.

The issue came to a head earlier this week when Ron Ghitter (PC-Calgary Buffalo) rose in his place to make his maiden speech and immediately launched into a savage attack on the opposition in general and Socred leader Harry Strom in particular.

"I expected that the members of the opposition with their considerable government experience would offer well-documented and highly-constructive opinion," the rookie MLA said.

"Instead they debate from time to time off the top of their heads with little preparation. We have a leader of the opposition who spends more time out of the House than he does in it."

Mr. Ghitter went on to describe the Socred performance as shallow and ill-prepared. Of NDP leader Grant Notley, the Calgary MLA said he spent most of his time "indulging in fantasies."

While Mr. Strom was laid up with the flu and not in the House on the evening of the attack, the severity of which stunned observers, he rose on a point of privilege the next day to rebuke the member.

Saying he could excuse Mr. Ghitter for his "inexperience and zealousness", Mr. Strom said the Alberta Legislature "has had a tradition of good manners and common decency which I am certain the premier would wish to continue."

While Mr. Ghitter deserved the reprimand for his attack on the former premier, some of his other remarks hit closer to home than the Socreds like to admit. The government MLAs, who expected to see their cabinet ministers tested and sweating under an onslaught of Socred questions, are not the only ones surprised by the lack-lustre Socred performance.

On the other hand, however, the government performance is not above question. Back-benchers seem to think in a number of cases that they are still on the campaign trail and some seem determined to knock the Opposition into obscurity.

Cabinet ministers, meanwhile, find themselves strapped in by the province's tight financial situation so they have few new programs to announce. Most have been very open about their department since they took over in September, so they can do little when they speak in the House but repeat old news--and offer a few criticisms of the way the Socreds ran government.

Eventually the government will have to behave like government and the opposition pull up its socks. Now, both are still learning.

Take Time to Give

Someone receives the gift of life because someone else has taken time to give it. The picture of someone receiving blood is familiar to more than 300,000 Canadians who receive blood or blood components each year, and to all those who recognize the vital importance of the Canadian Red Cross Blood Transfusion Service.

The Blood Transfusion Service, founded twenty-five years ago (1947), provides every hospital in Canada with all the blood and blood products they need. Last year alone it collected nearly a million units of whole blood nationwide.

The Blood Transfusion Service maintains the highest standards of testing, research, storage and production of blood components and fractions like Cryoprecipitate which is rich in clotting factors which enables haemophiliacs to lead more normal lives free from the worries of life-threatening haemorrhages; or like Serum Albumin

used to treat patients suffering from extensive burns or depletion of tissue liquids. It provides free Rh factor testing services for pregnant women, and operated rare blood banks so that persons with rare blood can make donations of their blood, have it frozen and stored, and receive it at the time of surgery.

In order to continue serving those in need, the Red Cross Blood Transfusion Service always needs more blood; in fact, the need for blood becomes greater each year. If it weren't for each donor's willingness to give blood the complex workings of blood procurement and processing would be to no avail. The task of supplying quantities of whole blood and blood products could never be accomplished.

But thanks to blood donors nationwide the Blood Transfusion Service makes sure all the blood needed will be there whenever it is needed.

Remember your gift of blood may help save someone's life, so why not give.

KNOW YOUR SCHOOLS

This "question and answer" column provides an opportunity for citizens to ask questions about education. If you have any question concerning the schools you are encouraged to send it to "Know Your Schools?" P.O. Box 777, Stony Plain, Alberta.

QUESTION:

Last week's column described where money came from for operating the schools. What steps are followed to build new schools and how are the new schools financed?

ANSWER:

A number of steps are followed by a school system in building a new school. Basically, they are as follows:

1. After the School Committee identifies the need for a new school, it submits a statement of need based primarily on student population growth along with the committee's resolution to the Department of Education.

2. Once the need is recognized by the Department, an architect is commissioned for complete architectural and engineering services including the supervision of construction.

3. The architect is provided with specific building requirements and is requested to prepare sketch plans for approval by the School Committee.

4. When sketch plans have been approved by the School Committee, the architect is asked to estimate the cost of the building and professional fees. The estimated cost of land, furniture, equipment, landscaping and services is also estimated.

5. Final sketch plans are sent to the Department of Education for approval. Detailed requirements in regard to furniture, equipment and landscaping are also submitted.

6. A money by-law to borrow by way of debentures is passed in accordance with the School Act. It is advertised and copies are sent to the Department as required. Other necessary materials and information are sent to the Local Authorities Board.

7. Once the allocation of debenture funds is secured from the Department, an application for borrowing is sent to the Municipal Financing Corporation.

8. After the above steps have been completed, the architect is instructed to prepare detailed or "final" plans and specifications. These plans are approved by the School Committee and by the Department of Education.

9. The School Committee then advertises for tenders to build the new school, selects the builder; and forwards the tender or tenders with a request for Ministerial approval.

10. A contract agreement is prepared, a performance and maintenance bond obtained, and

construction is commenced.

Foundation Funds from the provincial government are available for approved school construction. These funds are provided annually to retire the debenture borrowings. The basic formula for approved school construction allows up to \$15.50 per square foot for elementary schools and \$16.25 for junior and senior high schools.

If a school is tendered at less than these prices, the first dollar of reduction may be applied against the school equipment and site development, together with half of any additional reduction. Portable construction qualifies for \$12.00 per square foot. There are special regulations concerning how school systems receive payment for these building costs, and for debt retirement.

The total school debenture debt for the County of Parkland as at Jan. 1, 1972, was \$7,749,166.75. This figure includes principal and interest to maturity. In 1972 the total debt repayment will amount to \$522,481.85. Most of this figure is covered by direct reimbursement from the provincial foundation program. The amount ineligible for provincial support in this year's debenture debt repayment is \$13,089.33. This total is paid out of general revenues, and amounts to approximately 2 1/2 per cent of the total debt repayment. Compared with other school systems, the County of Parkland appears to be in very desirable position in terms of its school debenture debt.

COUNTY OF PARKLAND NO. 31

NOTICE SHOOTING RESTRICTIONS

The following two By-laws regarding the discharging of firearms in the County of Parkland will be considered by Council at its regular meeting on April 20th 1972 for the purpose of giving consideration to passing of these By-laws:

WHEREAS Council is concerned for the protection of the lives and property of its residents and it has come to the attention of Council that the lives and property of its residents are being endangered, in certain parts of the County, by the discharge of guns or other firearms; and

WHEREAS Council may by by-law under Section s.150 of the Municipal Government Act R.S.A. 1970 c.246 make provision for the regulation of any matter or thing for the protection of life or property and under s.152(d) of the said Act Council may pass by-laws prohibiting the discharge of guns or other firearms in any specified part or parts of the County;

NOW THEREFORE, pursuant to the authority vested in it by s.s.150 and 152(d) of the Municipal Government Act the Council of the County of Parkland No. 31 enacts as follows:

1. (i) In this by-law the words "occupied land" means land held under a certificate of title, or agreement for sale, or under a homestead lease, homestead sale, miscellaneous lease or cultivation lease issued under the Public Lands Act R.S.A. 1970 c.297.

(ii) In this by-law "occupant" shall include an actual occupant or a registered owner of occupied land.

2. The discharge of a gun or other firearm upon, from or over occupied land by any person other than an occupant of those lands, without first obtaining the permission in writing of an occupant of those lands as hereinafter provided, is prohibited in all that portion of the County lying east of the Fifth Meridian.

3. Permission in writing shall contain the following:

(a) The names of those individuals to whom the permission is granted.

(b) The date on which the permission is granted and the length of time for which the permission is valid.

(c) The legal description of the occupied land for which the permission is granted.

(d) The signature of an occupant of the occupied land.

4. Any person, other than an occupant, who has discharged a gun or other firearm upon, from or over occupied land shall immediately upon order of a peace officer, produce the said permission in writing, and any person who fails, neglects or refuses to produce the said permission in writing to a peace officer is guilty of an offence under this by-law.

5. Any person convicted of violating the provisions of this by-law shall be liable to a fine of not more than \$100.00 and costs and in default of payment to imprisonment for not more than 90 days, or both fine and imprisonment.

WHEREAS Council is concerned for the protection of the lives and property of those individuals travelling along roads within the County and it has come to the attention of Council that the lives and property of those individuals are being endangered by the discharge of guns and other firearms; and

WHEREAS Council may by by-law under Section 150 of the Municipal Government Act R.S.A. 1970 c.246 make provision for the regulation of any matter or thing for the protection of life or property and under Section s.152(d) of the said Act, Council may pass by-laws prohibiting the discharge of guns or other firearms at any specified part or parts of the County;

NOW THEREFORE, pursuant to the authority vested in it by s.s.150 and 152(d) of the Municipal Government Act the Council of the County of Parkland No. 31 enacts as follows:

1. In this by-law the word "road" means land used as a public highway or road and includes a bridge forming part of a public highway or road and any structure incidental to the public highway or road or bridge.

2. No person shall discharge a gun or other firearm from, upon or over a road within the County.

3. Any person convicted of violating the provisions of this by-law shall be liable to a fine of not more than \$100.00 in costs and in default of payment to imprisonment for not more than 90 days, or both fine and imprisonment.

Senior Citizens Plan Summer Trip South

The monthly meeting of the Senior Citizens, on March 30th in the Elks Community Hall saw 52 members in attendance and President, Ed Hines in the chair.

A bus trip to Southern Alberta is planned. Mr. Gordon Halmersen of Lindale agreed to rent his bus after July 1st for the trip.

The town will be approached in an effort to have benches placed in the downtown area for Senior Citizens and visitors to use during the summer months.

Permission will also be sought to erect a sign by the road leading south of town to announce the new building is the future Drayton Valley Senior Citizens Lodge.

A donation of \$50 was voted to the Easter Seal Fund for Crippled Children.

On behalf of Dr. Len Hall of the Department of Education the Club was presented with a beautiful gavel made by Dr. Hall.

The social held on March 17th was a marked success. Thanks to Mrs. V. Thompson, Mrs. Bud Ball and Mrs. Laura Barker of the Legion Auxiliary who served as hostesses.

Our hostess for this meeting was Norma Wall of the O.O.R.P. Thank you ladies. Next meeting, April 27th, Elks Hall, new members welcome.

Entwistle News

A Topsy-Turvy Bonspiel was held on the weekend to wind-up the curling season. The C. Willoughby rink came out on the top and M. Mottrom rink came in second.

The Entwistle School Curlers had a Bonspiel on Saturday, March 25th, with six teams curling. The winners were: first, Brian Willoughby; and second Danny McCracken. Lowest scorer was Dianne Hofmann's team. A banquet put on by the mothers, was held after the 'spiel. Many thanks to Bill Galka who chaperoned the teams.

A farewell gathering was held to honor Mrs. Marie Spreen who is moving with her family, to Hinton to join Ernie. Mr. Spreen is working at Hinton and they are to make their home there. About 25 women were present, games were played and a lovely lunch was served. Penny Deib presented Maria with a sewing basket from her friends and neighbors. Mr. Spreen previously worked for the N.A.D.P. at Evansburg.

Lloyd Seedhouse of Slave Lake was in Entwistle on the weekend.

Watch for Rare Birds

Residents of Southern Alberta are being asked to watch for and report gulls which have been banded with two colored plastic ribbons on each leg and which may also have parts of their plumage painted. The color of the plumage, of each ribbon and on which foot it occurs should be noted.

Also, a survey has begun, in southern Alberta, to determine the past and present range and numbers of the Burrowing Owl, a species which appear to be rapidly disappearing from the prairie. If you see any colored gulls or know of any locations where Burrowing Owls have nested or occurred in recent years or years past, please contact D.V. Weseloh, Department of Biology, University of Calgary, Calgary 44, Alberta. All reports of these owls and banded gulls will be personally answered. (Clip this out and save it as both owls and gulls may be seen anytime between now and late fall.)

D. V. Highlights

BY MRS. EDITH DEBY

Warmest good wishes for future happiness go to Mr. and Mrs. Ronald Cameron who were married at St. Anthony's on Sunday. Mrs. Cameron is the former Patricia Hoge, daughter of Mr. and Mrs. Frank Hoge, of Violet Grove. Ron is the son of Mr. and Mrs. Dave Cameron, of Rocky Rapids. The Camerons will make their home in Calgary where both are attending school. A shower for the bride was held at the home of Mrs. Whitelock on Tuesday of last week. Mrs. Albert Grinde assisted the hostess. Guests were ladies of the Violet Grove and Pembina districts.

Sympathy is extended to Mr. Robert and Mr. Orville Waddell whose father passed away last week.

Several people have mentioned how much they enjoyed the Easter music provided by the choir of the Pentecostal Church.

Long time residents of this district were saddened to hear of the death of Mr. and Mrs. Patrick Ryan, of Calgary, in a truck accident at Oliver, B.C. on March 20th. Patrick was born on what is now the McKinlay

Ranch at Lodgepole thirty nine years ago. He and Mrs. Ryan are survived by five children the youngest of whom is five years of age. Also survived are Patrick's mother, Mrs. Dora Ryan, of Edmonton and his sister, Rose, (Mrs. Dobush).

Best wishes for future happiness go to Mr. and Mrs. Dennis George Palmer who were married in Drayton Valley on Saturday. Mrs. Palmer, the former Miss Pawliw, is new to our town. Mr. Palmer is on the teaching staff at Frank Maddock High School.

RECEIVE PAST SERVICE AWARDS

The following people were presented with past service awards at the Boy Scout Father and Son Banquet for their contributions to the Boy Scout movement: Ellen White, Neil White, Cubs; Angeline Halushka, Ross McLeod, Ron Howatt, Group Committee; Lloyd Imrie, Venturers.

A new way to really get your mail moving: Your local Postal Code.

By now, you've probably received your new Postal Code. And you may have seen or heard ads telling people in big cities how accurate and complicated their codes are.

Well, your local code is not as complicated. Obviously, since fewer people live in your area, we don't need

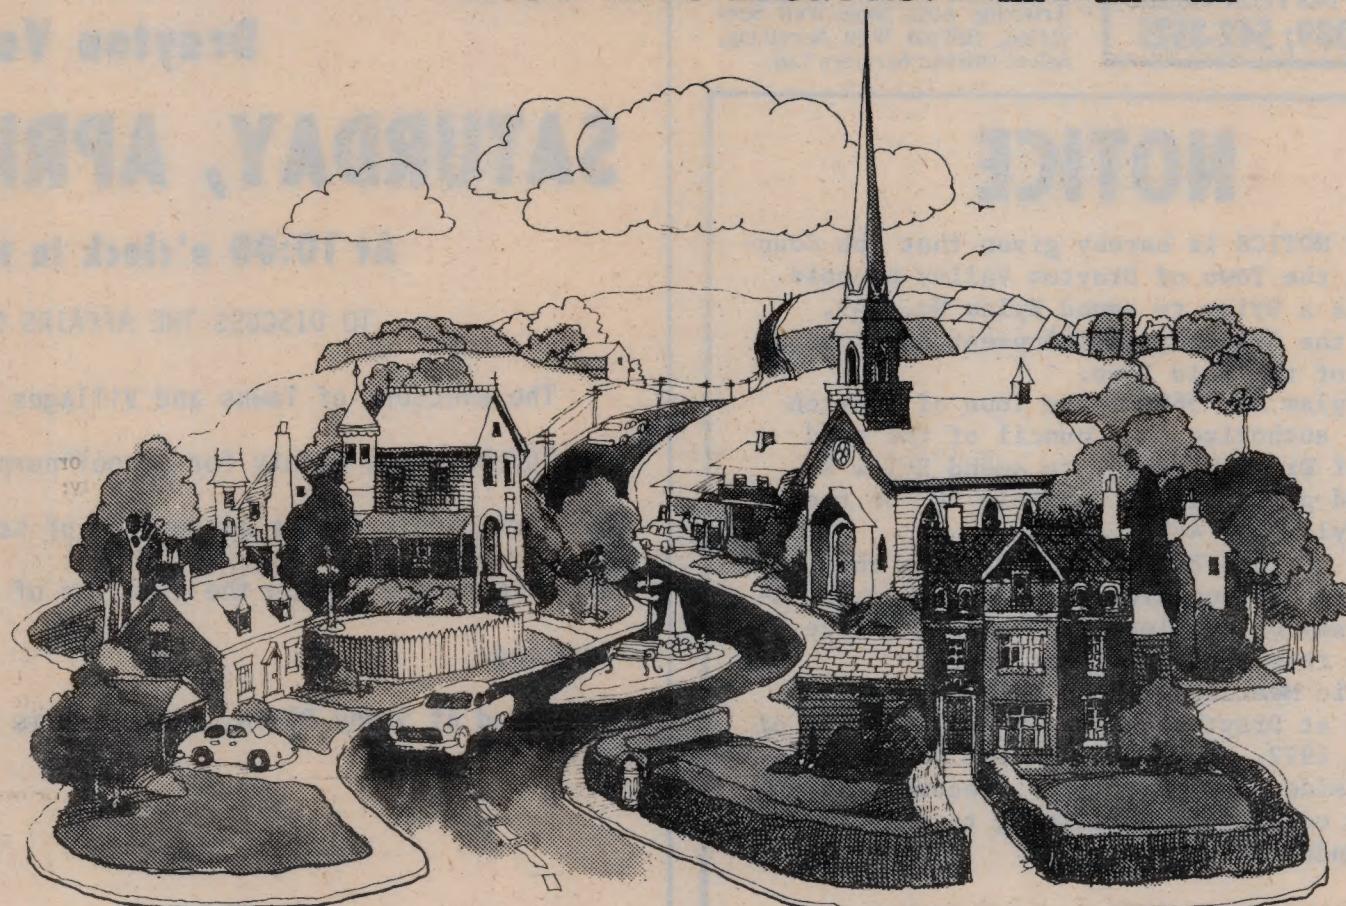

as many codes. In fact, all we need is one code to represent all the people in your town and on your rural route.

So, if you forget your code, just ask one of your neighbours. Then don't forget, send it to your friends.

If they live in big cities, tell them how complicated their life is.

Get the habit.

Marcia Thankful for "Gift of Life"

Ten-year-old Marcia Coutu, daughter of Mr. and Mrs. Rene Coutu, is shown above flanked by Red Cross blood campaign material. Marcia has first-hand knowledge of the life-saving gift made by blood donors. In early March she was hospitalized for a minor condition and developed copious internal bleeding. She required nine pints of blood before the bleeding stopped, which is approximately one and a half times her total blood volume. Marcia is thankful for the generosity of unknown donors whose gift pulled her through a critical situation.

Vander Ploegg Wins Lodgepole Open

The Marshall Vanderploeg rink won the Lodgepole Men's Open Bonspiel held March 15-19. The Vanderploeg rink defeated the D. Bolianitz rink of Lodgepole.

Third went to the Ted Tucker rink and fourth to Ed Hutzal of Drayton Valley.

The L.B. Motors rink skipped by Ron Pruden won the second event, defeating the Coin Electric rink skipped by Tom Coles.

On Saturday evening the service will have a "youth emphasis", on Sunday he will be speaking and the family will be providing special music. Everyone is welcome to these services.

Keephills News

Congratulations to Victor and Judy Lauder on the birth of their first baby, a boy, 8 lbs., 11 ozs., born at Drayton Valley Hospital on March 25th.

Cheryl Tattersall has been at home the past two weeks helping her mother spring clean.

Stewart Vanderwell was home for a week from the far north where he has been working during the winter.

Ellen and Roy Raymond had Mr. and Mrs. Glenn Measures, (Ellen's uncle) of Barrhead visiting them on Sunday. It was their first visit to the Keephills district.

Amie Walker of Burtonsburg was a visitor at Della Tattersall's on Wednesday.

David and Eleanor Tattersall of Burtonsburg accompanied Victor Lauder to Drayton Valley where they visited the hospital to see the new mother and son, Judy and Corey. They also visited Mabel Bryant before returning home.

CORRECTION

The following babies were inadvertently omitted in the March 28 issue of the Western Review:

March 25--Gilchrist, William and Rose of Berrymoor, boy, 3,250 grams, 7 pounds 2 ounces.

March 25--Lauder, Victor and Judy of Duffield, boy, 3,950 grams, 8 pounds 11 ounces.

Gainford News

Mrs. Hazel Brown of Gainford turned in a copy of the Buffalo Commercial U.S.A. dated December 15, 1903. It is yellow with age and very fragile, but there are some interesting items. Lots of talk about the Colombian War. The famous Japanese Tea Room was mentioned Christmas luncheon for 50 cents. The luncheon was a full-course meal with all the extras. In mentioning taxation, there was news of the "Bradley Bill".

Mr. and Mrs. Art Williams are on the mend after their bout with

the flu. It has been two months since Mrs. Williams has been out.

Sandy MacNamee arrived home in time to help move into their new home in Gainford.

Mr. and Mrs. C. Holosney attended a wedding in Edmonton. Beverly MacDonald, Mrs. Holosney's niece, became the bride of Allan Hartwick.

Tom Didiuk has been staying with his parents, Mr. and Mrs. E. Didiuk, and plans to return to his home in Swan River, Manitoba this week. On his way, he will visit his sister in Blaine

Lake, Saskatchewan.

Bingo was held in the Gainford Hall with a fair-sized crowd in attendance Wednesday evening. The jackpot was not won.

Mr. Y.H. Carlson is in University Hospital.

THE WESTERN REVIEW, Drayton Valley, Alberta - April 4, 1972 - Page 9

MR. AND MRS. MARTIN

United Church Setting For February Ceremony

On February 26, marriage vows were exchanged at Drayton Valley United Church between Glenda Cheryl Pryor, second daughter of Mr. and Mrs. Everett Pryor of Tomahawk and Pepper Gene Martin, eldest son of Mr. and Mrs. Albert Martin of Tomahawk. Rev. Oldring conducted the candlelight ceremony.

The bridal party entered the church to the strains of Lohengrin's Wedding March, with bridesmaids Miss Connie Jones, Miss Donna Pryor, sister of the bride, and Miss Bonnie Martin, sister of the groom. Ushers were Mr. Ray Hallet, uncle of the groom, and Mr. Robert Martin, brother of the groom. Groomsmen were Lawrence Duncan, Ivan Pryor, and Frank Gilbert.

Given in marriage by her father, the bride was attired in full length gown of peau-de-soie satin and wore a diamond drop necklace, gift of the groom, and a wide gold bracelet belonging to a great, great aunt. She carried a bouquet of gladioli and lillies of the Valley.

Bridesmaids wore full-length gowns of purple taffeta with silver trim and carried bouquets of yellow flowers joined by evergreen rope. During the signing of the register, a duet was sung by Miss Barbara Adair and Mrs. Glubish, cousins of the bride.

Following the ceremony, a buffet supper and dance were held in the Tomahawk Hall.

For her daughter's wedding, the mother wore a mauve dress of crepe with lace overlay. The

groom's mother wore a dress of violet.

Guests at the wedding were three couples of grandparents; also, guests from Vancouver, Salmon Arm, Edmonton and Calgary.

At the reception Mr. Rusty Zander acted as master of ceremonies.

The bride and groom will make their home in Swan Hills where the groom is employed.

Lindale News

At the annual Amateur Night, sponsored by the Lindale 4-H Swine Club, in the Lindale School, the winners were: first in singing, Larry Heighington; second, Colleen Young; and third, Doreen and Noreen Robb.

There will be an auction sale for Jim and Rose Saunders on Monday, April 3rd. Jim and Rose are moving shortly, and it is hoped they will return often to visit friends and relatives.

Doug and Evelyn Young were recent visitors in this area.

Get well wishes go out to Phyllis Shipton who is in hospital.

A good number of parents attended the parent-teacher interviews on Friday, March 24th.

Orville and Hazel Johnson, and Gwen Mayr will be leaving shortly for B.C. to attend the wedding of their grandson, and nephew, who is the son of David and Joyce Wisk. The wedding will take place April 7th.

Alice Olson is visiting in B.C.

Admissions Up at Breton Hospital

The Breton General Hospital had 1,248 admissions in 1971 as compared with 968 for 1970. Patient days increased from 7,108 to 9,225. The average occupancy of the hospital also increased from 64.9% to 84.2% in 1971, thus increasing activity in all departments.

The out-Patient department increased from 2,361 to 3,070 admissions. Total nursing hours were 38,090 in 1971 as compared to 33,962 in 1970. Other employee hours decreased because of better utilization in the following departments: housekeeping, laundry, dietary, and administration. The hospital had 32,011 staff hours in these departments in 1971 as compared to 33,538 hours in 1970.

The 1971 deficit for this hospital was \$21,272.13. It is hoped the hospital Commission will adjust the rates and pick up part of this. The balance must be paid by the hospital. If the hospital Commission will not increase the rate, the hospital will be faced with a \$24,989.00 deficit.

Mr. R. C. Berglund, Commissioner of Finance, has stated that the policy of the present Commission is that some hospital costs should be borne by the municipalities at the local level. He said that the amount left to

the hospitals to recover is reasonable and in fact, in total, is less than the four mills previously contributed by all municipalities. It would appear that the Breton General Hospital Board

of Directors will have no other recourse than to ask the contributing counties and villages to levy a tax on the rate payers to cover the costs of the amount of expense not paid by the province.

Tomahawk News

On Monday evening March 27th, Mr. A. Pierce brought his Drayton Valley Community band to the Tomahawk School, and what a grand performance it was. A fair crowd attended and I'm sure everyone there enjoyed it tremendously.

Mr. Pierce is offering to start a band here at Tomahawk if enough people young or old, are interested. What a wonderful opportunity for anyone who enjoys music.

Mr. Pierce says that "Band Music" is really the "In" thing now and bands are starting up all over Canada. So Tomahawk we don't want to get left behind, do we?

During the intermission Mr. Pierce discussed with the parents the possibility of forming a band in Tomahawk. After the concert the parents stayed and, after some discussion decided they would like to follow this up. Therefore a meeting is planned for April 11th at 2:00 p.m. in the Tomahawk School to discuss the matter further and hopefully elect a Band Committee.

Mr. Cook, the supervisor of music for the province and Mr. Holgersen, of the county of Parkland Recreation Committee, will attend this meeting to answer any questions and help get our Tomahawk Band started.

Representations from various organizations and other interested people are urged to attend this meeting on April 11th.

On Saturday night, March 25th the curling club had their annual banquet. A lovely turkey supper with all the trimmings was served banquet style with a few "Beans".

After the beans and all, the trophies were presented to the winter's winners by M.C. George Moroz. Winner of the Round Robin was Stan Zaniewicz's team. Stan skipped, Jed Nobel played third, Barb Nyren second and Tony Nobel played lead. The Tomahawk Curling Club supplied these trophies.

Mr. Gilbert presented the Booby Prize (Little Skunk trophies) to Sam Domke's team. Steve Lysak skipped, Peggy played third, Sam curled second and Dorothy lead.

Doug Moger's team from Highvale won first in the Doubled Out. Skip, Doug Moger, third, Steve Winnichuk, second, Winnichuk and lead Stan Moger. A cup was donated by the Drayton Valley Curling Club. George team won second place and donated by Pete Berry. Skipped, Bill Malka played third, Fin Shaw played second and played lead.

Congratulations winners! Better luck next winter to others. Rusty Zander, his wife

Mrs. Hutchinson has returned from a very enjoyable trip to Scotland.

Congratulations to Kathy Tornberg and Kurt Benke who were united in marriage on March 25th in the Wildwood Chapel.

Don't forget the agriculture meeting on April 12 in the school library. Another meeting of interest is the Rural Electrification Association on April 19 at 8 p.m. in the Wildwood Community Hall.

The Leaman whist drive came to a close at the home of Mr. and Mrs. Frank Wiseman with Mrs. Karen Kassman winning ladies' first; Mrs. Bert Hutchinson, consolation; Mr. Roy Getson, men's first; and Mr. Frank Wiseman,

consolation.

A good attendance turned out to the turkey bingo on Monday night. The jackpots are getting bigger. Don't forget there is a jackpot on the bonanza cards now on the last three games.

Ladies' Aid bingo is on April 7 in the Wildwood Hall and its meeting will be at the home of Mrs. Marie Hanson on April 19 at 2 p.m.

Get well wishes go to Mrs. Marie Nikoloyuk.

There will be a beer fest in the Wildwood Hall, April 29.

The January meeting of the Lobstick and Pembina 4H Clubs took place at the Bruner residence January 14. The club voted that Valerie Blahan be the club representative for Valentine Queen. Mrs. Bruner told the club members about the Calgary seed fair. Since then the results have been announced and Lee Bruner placed ninth with his project book, and Kenny and Allan Mazeppe placed fourth and fifth with their samples of barley. Phyllis Bura was to have taught the new members about record-keeping but since she was absent, Mr. Hutchinson answered some of the questions.

The March meeting was held at the home of Mr. and Mrs. G. Chittick. A trip to the Rodeo of Champions was discussed and the date was changed to the Tuesday night. The club didn't go because the younger members felt it was too late for a school night. Ways to raise money were

Calgary Sale Averages \$1069 For 536 Head

The 72nd Annual Calgary Bull Sale grossed the largest receipts since 1959. During the three-day event, \$573,225 was exchanged for 536 head of purebred bulls. Average selling price was \$1,069.

The Charles E. Jones Memorial Edition of the Sale established a price for Hereford cattle, selling 363 head for an average of \$1,230. This price exceeded by \$6 the 1951 average on 507 head.

Contributing to the regular price was the active participation of U.S. buyers. They bought over 25 per cent of the Herefords. Castle Mountain Ranching Co., White Sulphur Springs, Montana bought 51 bulls averaging over \$1,000.

The sale highlight was the \$18,500 price for Domino MO LE Lad 178 owned by Doug Morris of Innisfail. Buyers were W.J. Edgar & Sons, Innisfail, and Doug Fraser of Hussar.

Although the 46 Shorthorn bulls sold did not establish a record average price at \$652, they did better than last year's average.

Selling during the final day of the Sale were the Aberdeen Angus bulls averaging from \$760 on 125 head, down about \$150 from last year's average.

Park Court News

Congratulations to Irene Mortensen and David Stewart on their recent marriage. Friends and relatives attended the wedding dance in the Park Court hall on March 25. Mr. and Mrs. Carl Ohl and Mr. and Mrs. Herman Tuftin supplied the music for the evening.

Celebrating their 17th wedding anniversary that same night were Mr. and Mrs. Stanley Greenwood.

Mr. and Mrs. Andy Chopko and Mr. and Mrs. Bob Grof of Edmonton spent Sunday at the homes of their parents here.

The farm sale for Mr. and Mrs. Farrell Saturday was well attended. The Farrels are building a new home in Evansburg and will be moving in about a month.

The Semenyna boys have purchased a new motor bike and can be seen on the dry main road trying it out.

Miss Kitty Stewart of Pincher Creek and Brian Woods of Calgary announced their engagement on Saturday night when they were here to attend her brother's wedding.

Evansburg News

The CWL held a Tea and Bake Sale March 18, and wish to thank everyone who supported them. The winners of the raffle were Mrs. Mary Kossowan, John Mazzeppe and S. Hopkins.

At a recent draw held in the Rimmer Hardware, Mrs. Pete Tomkiewich won two gallons of paint.

Mrs. Goodwin, with her sister, brother-in-law, and nephew, flew to Las Vegas for a week.

Janet Cumming and Ann Karchuk, formerly of Evansburg, moved from Edmonton to Calgary in the height of last weekend's snow storm.

Best wishes for a speedy re-

covery to Mr. Ivan Brown, who is a patient in Drayton Valley Hospital.

At a recent meeting, Mr. R. Marcotte was elected president of the Chamber of Commerce and Agriculture. Mr. Fred Fausak was elected vice-president and Mr. Bob Caron as Secretary-Treasurer. The guest speaker

for the evening was Mr. J. Kitchen, Head of Senior Citizen's Homes for Alberta and Alberta Hospital Services Commission. He spoke on the possibilities of getting a Senior Citizen Lodge in Evansburg.

Members of the Royal Canadian Legion and the Ladies Auxiliary are reminded of the regular meeting April 3 at 8:00 p.m.

Challengers Reach Finals in City Tourney

After the 24 games were completed in the weekend Bantam Tournament in Edmonton, consisting of six Bantam AA teams from the Canadian Athletic Club, Bantam A Club from Wetaskiwin, and five Bantam B Clubs from Jasper and Drayton Valley in Alberta, and Lloydminster, Unity and Marsden in Saskatchewan, the Burrows Motors Challengers were the finalists from the urban centers, while Huber Electric were the finalists from Edmonton Club.

In order to get into the finals, the Challengers won three of their four games and lost the fourth one by a slim two goal margin.

Challengers won their first game 2 - 0 against Collins Steel on goals by Wilson (unassisted) and Koebernick from Hook and Wilson.

They won their second game 5 - 1 against North West Sales on goals from Koebernick (unassisted), Koebernick from Pankewicz, Hook from Koebernick and Pankewicz, Novosel from Koebernick, and Hook from Koebernick and Pankewicz.

Challengers lost the third contest 4 - 2 to the Optimists. In this game, Hook scored from Pankewicz and Lukaniuk and Koebernick (unassisted) got the second goal.

Columbia Tile was defeated 6 - 1 by the Challengers on goals from Wilson assisted by Hook and Pankewicz, Pankewicz from Wilson, Wilson from Hook, Case from Koebernick and Swendseid, Schadeck from Shimbashi and Lambert, and Lukaniuk from Koebernick.

Thus, the Challengers and Huber Electric met in the final game of the tournament on Sunday night. Challengers with a plus nine standing and Huber with a plus twenty standing. Although the Challengers played excellent hockey and outshot Huber Electric, they simply could not score and were defeated 4 - 0.

Time after time the Challengers were robbed of excellent scoring chances by Huber's goalie and even when the Challengers were awarded a penalty shot, they were still stopped.

The Challengers are to be commended, however, for reaching the finals and for playing as well as they did, despite injuries several of the boys received in the earlier games.

A large number of local fans and previous Drayton Valley residents, now living in Edmonton were on hand at all the games to cheer the Challengers on.

Good Season For Oopiks

The Oopiks concluded a very active basketball season last week by taking part in the Warburg league play-off tournament. Although they were knocked out by Warburg and Thorsby, they showed excellent playing form.

This ended a 6-game Pembina League circuit against Winfield, Breton and St. Anthony as well as exhibition games against Entwistle and Thorsby.

In tournament play the Oopiks brought home a consolation trophy from Whitecourt and a second place trophy from the D.V.J.H. County tournament.

Special Service

The "exciting sound" of the Golden-Heir Singers has been heard throughout Canada and the United States, in church services, youth rallies, camps, and gospel concerts. Their annotated, lively approach to gospel music has thrilled and blessed the hearts of thousands of listeners.

You can have the opportunity to hear the Golden-Heir Singers, from Chilliwack, B.C. on Thursday, April 13th at 7:30 p.m. at the Pentecostal Tabernacle.

NEWS NOTES FROM THE D.A.

Phone Stony Plain 777-2231 between 8:30 a.m. and 5:00 p.m.
 E. C. LOWE TOM BROWN
 District Agriculturist Asst. Dist. Agriculturist
 In Drayton Valley each Wednesday at Sekura Auction Mart
 from 1:00 p.m. to 4:00 p.m.

April 30 is the date set for the Manure Management meeting in the Sportex Building in Edmonton from 1:00 p.m. - 4:30 p.m. Brian McQuitty, University of Alberta will discuss the problems associated with various dairy, beef and swine systems. Brian West, Regional Engineer with Department of Agriculture will discuss methods of coping with these problems (e.g. pros and cons of solid and liquid storage).

A. Goettel, head, soils branch will cover Land Requirements and field application guides. To complete, the picture, Jim Broomhall from Public Health will discuss regulations as they apply to livestock operations - distances from towns, waterways, etc. Set the date aside on your calendar, especially anyone locating a new operation. This has been arranged by four D. A. districts to obtain qualified speakers. For

dairymen who are expanding we have a new bulletin available on Building and Equipping Your Milkhouse from our Department and Farm Motors Calgary Power production.

DEMONSTRATION SHOWS GRADE CHANGES NEEDED

The above headline caught my eye in the Producer. One year ago today we arrived at a similar conclusion in this district. We showed dramatically in economic terms just how badly Canada needs a new beef grading system. Perhaps interest is increasing in this aspect for 100 Central Alberta beef producers turned out to a demonstration. We received 55.

Stony Plain D.S. office arranged the demonstration. Two sides were cut up in the standard manner by Stan Raugust, Co-op butcher in Stony Plain and as each

type of cut was carved from the side of beef, the meat was weighed and valued on the basis of the day's retain prices for the respective cuts.

When the three hour demonstration and scoring had been completed, these were the overall results for the respective sides:

Remember both sides of beef had been graded "Choice" under the beef grading system which has been in force in Canada for the past 14 years but is to be replaced with a system being designed to reward production of slaughter cattle yielding more of the type of beef being demanded by today's supermarket shopper.

The wholesale price of 60.5¢ per pound was assigned each side. The choice steer with a "minimum amount of finish," in our case came from a carcass weighing 559 pounds; had a wholesale value of \$165.17, yielded 217.87 pounds of marketable meat with a retail value of \$204.40; giving the retailer a margin of \$39.23, or 23.75% margin. This steer had a loin eye area of 9.5 square inch and a fat cover averaging .6% of an inch thick. There were 54.12 pounds of bone and fat or 19.82%.

The number 2 steer with a high degree of finish had a side weight of 266 pounds from a carcass weight of 546; a wholesale value of \$160.93; yielded 188.44 pounds of marketable meat with a retail value of \$176.99 giving the retailer a margin of \$16.06 or 9.98% margin. This side had a loin eye area of 9.50 square inch and a fat cover averaging 1.03 inches thick - note there was 75.25 pounds of bone and fat or 28.29% of weight.

Consumers don't want to buy and pay for fat. Everyone loses with steers of #2 quality. Unwanted fat must be trimmed away and brings no retail return. The retailer however, has to pay his butcher wages for trimming off the excess fat. Either the producer in the feedlot or the consumer must absorb the wasteful cost.

The meat quality factor will be an important part of the new beef grading system. Legislation is already being prepared. It is expected to come into effect September 1st with a 60 day advance warning to the meat industry.

THANK YOU

A great big thank you to all the girls of the Drayton Valley Gymnastic Club for the gorgeous engraved silver tray - a gift I'll always cherish in memory of all the good times spent during the 1971-72 season. Doris Tyerman

I wish to express my sincere thanks to the Service & Supply Companies who sponsored me, my campaign managers, Ralph and Emil Lambert, the people who bought and sold tickets, the judges at Oil Wives Talent Night and all those who made it possible for me to become the 1972 Drayton Valley Ice Carnival Queen. Bonnie Mayer

Tractor Club Members To Attend Rally

The January meeting of the 16A Tractor Club was postponed due to extremely cold weather. The meeting was held at the Bruner residence February 6. The club members decided not to join the other clubs for a skating party, but to have a hay-ride instead. 4c

The February meeting was held February 16. Project work in the books was discussed. It was decided that the members would do public speaking at club level only and not complete at council level. Reports were heard and a community project was discussed.

The March meeting was again held at the Bruner residence on March 15. It was decided to have a bake sale when Mrs. Bruner could find a suitable date. A letter from the Myrnam Tractor Club was read and the club decided to invite them to Achievement Day June 9 in Wildwood.

Assignments for demonstrations were handed out to the members and all are to have these ready to do at the next meeting.

Ideas for a skit were discussed and the skit will be decided on at the next meeting. All the members decided to take part in the rally to be held in Spruce Grove.

Secretary: "Sir, did I hear correctly? Make 26 copies of each letter?"

Boss: "Yes, that's right."

Secretary: "May I ask why?"

Boss: "Sure. We file one under each letter of the alphabet. Then we're sure of finding them."
